## Management's Message

Welcome to Shantidhama College of Nursing

In an era of stiff competition, success can only be achieved if one makes the right kind of endeavor at the right time and in the right direction. Shantidhama College of Nursing have been established with a view to produce qualified, and efficient nurses for a new tomorrow in the ever changing competitive world of today.

Given the paradigm shift which the health care sector is experiencing, nursing science probably represents the most ideal field for health care to innovate for it is a domain where there is a constant need to change with the times and continuously review, analyze and upgrade competencies in the profession.

Our primary goal is to offer the best EDUCATION AND CLINICAL TRAINING possible in Nursing. We are offering professional diploma, bachelor's degree, and post graduate degree in Nursing.

A.R. Rajendran  
Chairman

Melbin Michael  
Managing Director

Nijas. A

Jonas Varghese  
Director

## Principal's Desk

Shantidhama College of nursing welcomes you to pursue higher education not only in the thrust areas but in the conventional fields also. Our academic programmes aim to develop knowledge and skills in chosen disciplines, they also develop interdisciplinary integrative skills, an understanding and responsibility in the local, national and international context.

Our College is expected to provide an intellectual, social and physical environment in which scholarship and learning may thrive. It is a prime center for nursing in the capital, which happens to be the city of Lakes. It offers you the best opportunity for professional education and research programmes of high standard. I Assure You for the beautiful campus, well equipped laboratories and the excellent faculty in the department will encourage young aspirants to pursue their academic and social goals with joy.

Mrs. Hemavathi MT (M.Sc. OBG Nursing)  
Principal,  
Shantidhama College of Nursing
